# Brinningham Benefice Schedule of Services

There will be no services in May in any of the churches in our Benefice.

For anybody wishing to enter a church for private prayer please contact a churchwarden of the church concerned.

It is hoped that there may be services in April and details will appear in the next issue of In Touch. However in these uncertain times nothing can be guaranteed so even if a service is advertised it is suggested that anybody intending to attend checks with a churchwarden that indeed the service is going ahead.
